Professional Summary

I am a dedicated software engineer with a background in banking customer service and extensive training from a 12-month coding bootcamp. I bring strong technical and interpersonal skills to my work. Proficient in HTML, CSS, React.js, and TypeScript, I have developed a variety of web projects, showcasing my ability to create innovative web solutions. I am eager to leverage my expertise to excel in a frontend web developer role.

EDUCATION

- ALX Software Engineering Programme
2022 - 2023
- Completed a 12-month intensive training in software engineering with a focus on full-stack development.
- Developed expertise in key technologies including ReactJS, TypeScript, NextJS, Python, and MySQL.
- Engaged in project-based learning, building web applications and solutions that demonstrate problem-solving and technical skills.
- Collaborated with peers in a simulated real-world environment, enhancing teamwork and communication skills.
- Active member of the ALX alumni network, regularly participating in workshops and advanced training sessions.
- Bachelor of Science: Geology
2014 - 2018
Alhikmah University, Ilorin, Kwara State

TECHNICAL SKILLS

- **Frontend Technologies:** React.js, Next.js, TypeScript, HTML, CSS, Javascript, Tailwind CSS, SASS
- **Backend Technologies:** Python, PHP
- **Database:** MySQL, PostgreSQL
- **Tools:** Git

WORK EXPERIENCE

Customer Service

TajBank, No 72 Ahmadu Bello Way, Central Business District, Abuja 900103, FCT
2020 - 2022

- Managed and processed a high volume of data entry tasks, including uploading customer mandates and maintaining accurate records.
- Coordinated with marketers and coworkers to ensure proper documentation and support.
- Addressed customer concerns and provided accurate information to the best of my ability.
- Actively worked to improve accuracy in data entry and reduce errors based on feedback from my supervisor.
- Assisted in resolving issues and streamlining data entry processes to support team objectives.

NYSC

Federal Capital Development Authority, Area 11, Garki, Abuja
2018-2019

- Troubleshooting and resolving platform issues, assisting in IT infrastructure maintenance.
- Assisted in setting up and maintaining computers and other necessary technology.
- Provided administrative support to streamline team productivity.

INDUSTRIAL TRAINEE

Mohtas Consultant Limited, Doma Plaza, Gombe
2016 - 2017

- Conducted site surveying and surface investigation of groundwater using the electrical resistivity method.
- Assisted a supervisor in the documentation and supervision of borehole drilling.
